T8-36W-8'-40K, T8-36W-8'-50K
FROSTED OR CLEAR
ALSO AVAILABLE IN 40W & 44W

36W 8ft LED Tube Lights ballast bypass **2End Power 4000k Frosted Lens**

★★★★★ (There are no reviews yet.)

SKU: CT-T8-36W-DP50-2

- AC100-277V
- Ballast Bypass wire 2End
- Beam Angle: 120
- Warm White (4000K)
- 36W 4300lms
- Indoor Use IP22
- ETL
- 5-year warranty

- Plug & play, no need for rewiring; or direct wire to either 1End or 2End.
- Mpre than 80% energy saving compared with flourescent lights.
- No UV, no hissing or flockering, Mercury and lead free.
- Up to 120lms/W
- Beam Angle: 120 degree
- Power: 36W
- Lifespan: 50,000 hours
- Material: Aluminium + PC
- Certificate: CETL, ETL, TUV, SAA, ROHS
- Warranty: 5 Year

Bypass ballast during installation

SPECIFICATIONS

Wattage	36 W	Size	8 ft
Replaces Wattage	72 W	Input Voltage	120-277 VAC
Light Output	4300 lumens	Frequency Range	50-60Hz
Efficiency (lumens/Watt)	120lms/W	Temperature Rating	-40 to 50 C / -40 to 122 F
Average Lamp Life	50,000 hours	Housing Material	Aluminum Alloy
CRI	>80	Lens	Frosted
Color Temperature	Warm White: 4000K	Qty in Package	25
Beam Angle	120°	Dimensions	96"
Working Environment	Indoor	Certification	ETL
Enclosure Rating	IP22	Warranty	5 Years
